

# DARYL CORNEJO

Front- end Developer

+63 915 892 2013    lyradcornejo1@gmail.com    Valenzuela City, Philippines

## ABOUT ME

Fresh graduate from Bulacan State University with a strong passion for software and web development. Proficient in HTML, CSS, JavaScript, PHP, Python, and MySQL, with solid skills in design and problem-solving. Highly motivated to grow and continuously expand expertise in the tech industry

## EDUCATION

2020 - 2025      **Bachelor of Science in Computer Engineering**  
Bulacan State University

## EXPERIENCE

2025	<b>IT Intern</b>
Allied Care Experts	Handled troubleshooting of employees' computer issues, encoded patients' medical information accurately into the system, and verified payment records before giving clearance for patients to go home.
2024	<b>Web Developer</b>
Web development group project	Developed the user interface for a Hotel Booking System web application, focusing on responsive layouts and interactive features using HTML, CSS, and JavaScript. Worked closely with the back-end team to integrate database-driven content and ensure a smooth booking experience across devices.
2024	<b>Web Developer</b>
Web development group project	Built the front-end of an Online Ordering System designed for both customer and employee use, implementing dynamic forms, intuitive navigation, and mobile responsiveness. Enhanced usability by ensuring cross-browser compatibility and seamless interaction with database functionality.
2022	<b>Software Development</b>
Database Project	Created a Point-of-Sale (POS) desktop application with MySQL database integration, featuring automated stock tracking where inventory updates and decreases when items are sold.
